The people had become very bad.

God was very sad.

God told Noah to build a big ark.

God told Noah to bring the animals on the ark.

Noah obeyed God.

Rain came down, flood came up.

God sealed up the ark door.

God sent out a dove. The dove came back with a leaf. The flood was over.

Noah’s Ark

God put a rainbow in the sky and promised to never flood the whole earth again.
